REQUEST FOR PROPOSAL # 1231 COGNITIVE BEHAVIORAL TREATMENT FOR ADULT OFFENDERS

QUESTIONS AND ANSWERS

August 29, 2013

1. How many offenders do you estimate will be referred for treatment services?

ANSWER: 50-60 annually

2. Please clarify the service time requirement re: 40-70% of the offender's time during the course of the program. Is the County seeking program services for 16-28 hours per week?

ANSWER: No, the County is seeking program services that would average 3-4 hours per week/per offender. These hours may include assessment, group and individual counseling and homework.

3. Please provide clarification regarding minimum qualifications stating that licensure (MFT, LCSW, or LPCC) is required. Is this required of all counselors providing treatment services?

ANSWER: For cognitive behavior treatment services, we are requiring a licensed counselor/therapist. May include interns under the direct supervision of a licensed professional.

4. Where in the county would these services be provided?

ANSWER: Services will be in the following areas in the County: Grover Beach, San Luis Obispo and Paso Robles. There is limited space in existing County facilities for providers that do not have their own existing space.

5. Will services be provided at more than 1 location?

ANSWER: See question #4

6. Does the County have physical facilities at which these services can be provided?

ANSWER: See question #4
